

Request Reference: FOI/018/22

Published: 02 September 2022

Information requested:

I would like to request information relating to the addition allowances paid to staff who work in an high secure environment at The State Hospital.

In addition the basic salary paid to staff, I would like to receive details of -

- the additional allowances paid for working at the hospital, clinical or otherwise;
- the amount of these payments;
- the criteria for applying these payments to roles;

If it is not clear what I am asking I would respectfully request advice and guidance relating to this to ensure that I receive the correct information.

Response:

Details and criteria of the High Secure Environmental Allowance and the High Secure Clinical Responsibility Allowance are provided in the enclosed letter regarding State Hospital Special Lead Payment.

This letter is also available from the Management Steering Group webpage -
