

Request Reference: FOI/023/22

Published: 28 October 2022

Information requested:

Please could you kindly provide the number of each of the tests listed in the attached excel spreadsheet over the last calendar year (Jan-Dec 2021).

The supplier/instrument the test is run on is only relevant for PCR (not culture/microscopy), if this could also be provided it would be very much appreciated.

Response:

The State Hospital has processed zero tests during the period requested. All tests The State Hospital utilizes are processed by other organisations on our behalf. We have enclosed the excel spreadsheet as requested.

Advice and Guidance

Following a clarification on 26 October 2022, we proceeded on the basis that the request was only for tests processed by The State Hospital.
