 - a. What is the overall annual budget?
 - b. How much of the budget is for staffing?
 - c. How much of the budget is spent on resources and materials for play (e.g., toys)?
13. Is there a budget available for training and development that play staff can access?
 - a. If yes, how much is this?
14. Do you have a guidance/policy on how Play should be delivered? If yes, please can you attach a copy of this or a link where it can be accessed

Response:

The State Hospital is not part of a group hospital model and does not provide the services relating to babies, children or young people that the request asks for.

For all questions, we provide notice under section 17 of FOISA that we do not hold the information requested.
