Information requested:

I would be most grateful if you could supply me with the following information under the Freedom of Information (Scotland) Act 2002.

Item one: For financial year 2021-2022, I would like the total annual salary bill for the senior management team of the Health Board, including their direct support staff, e.g., personal secretaries, this should also show the management 'on' costs. **I specifically do not wish any individual identifiable staff costs.**

Item two: For financial year 2021-2022, I would like the total annual remuneration amount including any management 'on' costs, for all members of the NHS Board. **I specifically do not wish any individually identifiable costs.**

Response:

Item one: £1,041,239

Item two: £1,116,513
