

Request Reference: FOI/55/23

Published: 18 December 2023

Information requested:

Please treat this as an FOI request. Please share how many of your employees are Australian.

Please share how you identify this - for example by the stated place of birth, or their stated citizenship.

Response:

We have zero Australian employees. We determined this by running an equality and diversity report in our Obiee system. The nationality field for this system is self-populated by the employee.
