ACCOUNTABILITY REPORT - REMUNERATION AND STAFF REPORT

BOARD MEMBERS' AND SENIOR EMPLOYEES' REMUNERATION

The Board is supported by a number of committees as mentioned in the Governance Statement on pages 14 to 19.

Remuneration of board members and senior employees is determined in line with directions issued by the Scottish Government. All posts at this level are subject to rigorous job evaluation arrangements and the pay scales applied reflect the outcomes of these processes. All extant policy guidance issued by the SGHSCD has been appropriately applied and agreed by the Remuneration Committee.

Performance appraisals for executive members are carried out in line with the guidance from the Scottish Government and overseen by the Remuneration Committee. Annual pay rises for Executive Directors are dependent on achieving specified levels of performance.

In accordance with the Financial Reporting Manual (FreM) and the Companies Act, publication of the 'pension benefits' is required. This calculation aims to bring public bodies in line with other industries in disclosing an assessed cumulative pension benefit for a standard 20 year period, which is the estimated life span following retirement.

The 'Total earnings in year' column shows the remuneration relating to actual earnings payable in 2019/20 and 2018/19.

The tables on the following pages provide a breakdown of Executive and Non Executive Directors' remuneration in 2019/20 and 2018/19 and have been audited by the Board's auditors.
