

FOI Disclosure

Reference Number: FOI/017/24

Date Published: 23 July 2024

Information requested:

To help our better understand more detail for Scotland I am seeking Energy Usage Intensity (EUI) figures for buildings in your individual Health Boards

Can you please provide by return?

Response:

We do not record individual building EUI figures and as such we give notice under FOISA section 17 that we do not hold the information requested.

We do have records for the whole of the State Hospital, which for the year 2023/2024 was 384.6 kWh/m².
