

Information requested:

- 1. Please provide the total number of patients treated with a non-British national code (i.e not White British, Asian British or Black British etc.) for the last three financial years, or the last years for which you have statistics. Please also provide the total number of patients treated.
- 2. What is the total amount in charges you have issued for treatment given to non-UK nationals for the last three financial years, or the last three years for which you have statistics. What is the amount that you have successfully recovered over the same time period?
- 3. For both questions I would like the figures for each year, not one figure covering all three years.

Response:

Year	No. of patients	No. of patients with a non-British national code
2021-2022	130	9
2022-2023	132	12
2023-2024	120	10

Year	issued for non-UK nationals (£)	Charges successfully Recovered (£)
2021-2022	0.00	Information not held
2022-2023	0.00	Information not held
2023-2024	0.00	Information not held

As we have not issued any charges for treatment given to non-UK nationals, we give notice under section 17 of FOISA that we do not hold information about the recovery of charges.
