Date Published: 23 July 2024

Information requested:

The number of oral cancer referrals received by hospitals in your Trust between January 2017 and the most recent completed month that is available (most likely June 2024). I also request this data be presented as monthly figures.

Response:

The State Hospitals Board for Scotland is a special health board and the nature of our services means we never have, nor would, receive a referral for oral cancer. Please see the advice and guidance section below.

We give notice under FOISA section 17 that for each month, we do not hold the information requested.
