

Request Reference: FOI/073/24

Published: 24 March 2025

Information requested:

Please answer my questions in line with FOI laws.

1. For each year from 2019 through to 2025 (so far) please tell me the average time spent by patients under DTC (Day Time Confinement).
2. For each of those same years please tell me the average time spent by specifically learning disabled and/or autistic patients under DTC.
3. For each of those years, please provide me with the longest sustained period of time that any patient spent in DTC.
4. For each of those years please provide me with the longest sustained period of time that a specifically learning disabled and/or autistic patient spent under DTC.

Response:

We have provided a spreadsheet with the information requested. We started to collect DTC information in August 2023, so for the dates prior to this we give notice under FOISA section 17 that we do not hold this information. All years are calendar years.

1. The information is for all patients within the hospital and the average time spent in DTC.
2. The information is for all learning disabled and/or autistic patients within the hospital and the average time spent in DTC.
3. The information is for all patients within the hospital.

The information is for all learning disabled and/or autistic patients within the hospital.
