**Published:** 02 May 2025

**Information requested:**

Please include the following information for the financial years 2023/24 and 2024/25:

- A list of all the staff networks at the organisation
- Whether each network receives internal funding and, if so, how much (please express annually for the last four financial years)
- How much FTE equivalent staff time each network is entitled to. For example, a staff network may have a chair who's entitled to spend 10% of their working hours devoted to the network (please express annually for the last three financial years)
- A list of events that each network has held in this financial year so far (April to the present day), including the title of the event, information on any guest speakers and the time of the event

If it is not possible to provide the information requested due to the information exceeding the cost of compliance limits identified in Section 12, please provide advice and assistance, under the Section 16 obligations of the Act, as to how I can refine my request.

**Response:**

Our staff networks are provided/hosted by NHS Lanarkshire. We do not have our own dedicated networks due to the small size of our organisation.

We have enclosed the list the staff networks that were/are available for 2023/24 and 2024/25,

As there is no cost to use for these networks we give notice that we do not hold information about their internal funding. (FOISA Section 17)

Nor do we hold information about the FTE staff costs as we do not host these networks. (FOISA Section 17)

As we do not host these networks, we hold very little information about their events and speakers. What we do hold is included in the enclosed list.
